COQUILLE INDIAN TRIBE COMMUNITY HEALTH CENTER FAMILY CAMP 2011 SURVEY

Thank you for attending this year's Family Camp !!!!

PLEASE ANSWER THE FOLLOWING QUESTIONS FOR US:	EXCELLENT	VERY GOOD	GOOD	SATISFACTORY	POOR
1. Overall Family Camp experience (other than registration day!) (not a problem)	37	5	2	1	

Comments:

1. I appreciate the effort to house family near each other....as well as all the other work involved in hosting this event!
2. I always enjoy being around my Tribal family, more than that, all the wonderful friends who have been a huge support to me.
3. Would be nice to have an activity like, craft (basket weave) (craft) (Q&A) – various different things maybe would help for following year activities. Stories (Family, tradition) time to share, etc.
4. I love the fact that the families are brought together for a couple of days.
5. Truly enjoyed this event. Family Camp is the Tribe's largest and most successful event and it would not be if it were not for the work of the CITCHC staff!
6. We had the best of times. Our family's favorite.
7. It's always a nice time!
8. Look forward to going again.
9. We really enjoyed family camp. The Resort is great. It has been a few years since we have been able to attend but plan on attending every year from here on out.
10. Maybe we should just go back to 4pm check in; gives you guys more time to set up & eliminates early check-in problems (Good job in wake of check-in crisis).
11. Thank you for working to accommodate family requests. We know that's a difficult task. Our family so appreciated how you were able to put/place us close to one another.

2. Overall food quality and variety	7	9	3		
Wed. night Barbeque	13	14	8	1	1
Dessert Social at Pocket Park	9	12	4		
Friday Dinner at Pocket Park	7	13	4	2	
Saturday night Dinner - Conference Center	11	10	7	6	2

Comments:

1. I like the meals and having more dinners at Pocket Park – the meal at the Conference Center was better organized with the food in the other room.
2. (marked Fri. dinner) Had Fish Fry with Family.
3. Didn't eat at any of the functions.
4. We would have appreciated knowing the menu for Saturday night as we prepared Mexican food for our dinner on Thursday night and had been eating on it for 2 days. Burrito dinner wasn't very appealing at that point if we had known we would have chosen a different menu to prepare.
5. Everything was good, had a wonderful time.
6. Nothing bad about the buffet dinner, but it was more on par w/our bar-b-cues (which are great) but not what I'd expected at dining. Still very good.
7. We enjoyed ourselves this year had fun.
8. Different food from the catering company, it's the same every year.

9. Missed the tri-tip & chicken sands – good salsa.
10. Only Dessert Social we made it to, but we usually go to Wed. night BBQ too.
11. Maybe we should advertise menus for each meal so if someone doesn't care for it – they could go somewhere else. The food overall was very good.
12. Wed. nite dried out hamburgers.
13. Quality of Sat. night dinner was lousy everything came out of either cans or boxes or bags. Nasty Nasty Nasty
14. I think Dessert Social should be grouped w/Drumming /Dancing, location moved to field w/stands & parking available & TM's bring desserts!! 😊
15. Your staff service was excellent. We're just not BBQ & Mexican food fans – So I suppose quality & variety runs v. good to exc.

2. Would have like to have been a little closer to family
3. I hope to have my family in my house next time. My mom and my aunt.
4. Absolutely – the luxury of the lodging is great!
5. Room was newly remodeled & not fully furnished – air conditioner quit working.
6. Uncomfortable furnishings – exhaust fan not hooked up – Sofa & chairs not comfortable to sit on. Poor lighting AC noisy. After receiving key, room still not ready 5:00 pm. Banging started at 9:00 am Sat. & Sun morning. Could not sleep in.
7. Nice clean unit.
8. Had no air conditioning the first day but staff was very accommodating and mechanic fixed it next day.
9. Such a treat. Facilities are always beautiful. Very relaxing.
10. Our unit was not as well equipped (kitchen supplies) as other area units in the past; but that is not a complaint – just fyi.

2. Didn't go.
3. Did not go.
4. Enjoyed last years a little more.

8. Small but very helpful.
9. Will have to make it next year!

13. Compared to past fairs, information was scanty & focused on young children.
14. (marked excellent) Always.
15. Feel it would be more beneficial & cost effective to do a Health Fair local, or at another event than at Family Camp. Could be done as one Health Services Rep instead.
16. Didn't attend.
17. Didn't go.

Tribal Council / CEDCO Meet, Greet & Learn	23	17	1	<ol style="list-style-type: none"> 1. VERY GOOD – PEOPLE FRIENDLY! 2. Pregnant and had 2 stay off my feet as much as possible.... Picked a few things to 2 go 2. 3. Waste of time. Please don't use this format again. I would prefer the option of attending a meeting. 4. Enjoyed the casual atmosphere & drawings. 5. Did not attend – why no Council meeting? Can think of a few reasons why but maybe we need guidelines & someone to move people off a topic to the next. 6. I understand it was devoid of the negative elements present at the 2009 Family Camp General Council meeting. 7. Very Poor. Waste of time. 8. None – bad legs & heat. 9. Was glad it was not general council mtg. People seem to want audience to protest. 10. Was a great Meet Greet & Learn. Many people were there –feed back from it was awesome. 11. Kind of lame. Prefer the open meeting. 12. Nice idea, would have liked to have had a General Council meeting as well. 13. Did not attend. 14. This was a farce. Talked with interested Tribal Members – was very productive. 17. Was interesting – learned about Perpetua. 18. 7. Do you feel that the 4 nights is long enough for Family Camp? Yes **37** / No **4**
Comments:

1. it's quite a drive to get there and there is so much to do. Would love to stay longer.
2. Could be 3.
3. I would attend 5 or 6 nights. We travel in from out of state. We barely get situated before we have to leave. More time = time to space out events.
4. Would be nice to have 5-6 but happy we are able to have this event no matter what.
5. I need a week (or two)☺ but 4 nights is a nice compromise!
6. But if you extended it – it wouldn't hurt our feelings. ☺
7. Would love to last longer so that all activities could be spread out some and make it possible for family time also.
8. Maybe one more day.
9. I would love to stay longer (5 days) if possible but understand that this may not be a financial possibility.
10. Personally would prefer Tues – Sat. Lets us relax & unpack 1 day before returning to work.

8. How often did you utilize the cooking facilities in your unit?
 Frequently - **22** Often-**8** Some - **7** Rarely None - **3**

Comments:

1. Big family dinner – breakfast/lunches saved money.
2. This part is great. We had a huge fish fry.
3. We BBQ every night!
4. Used extensively to cook for immediate and extended family meals.
5. We cook, enjoy a fish dinner with all our family. I enjoy having a snack, having dinner with family & BBQ – Great for kids – they eat 24/7.
6. With 6 children we cooked a lot.
7. Family dinners at the cabins seem universally enjoyed.
8. Most meals.
9. We go all out. Everyone brings something to pool together. We cook, bake, BBQ – It's great to only have to supply food.
10. Did not have any.
11. For breakfast and lunch and Thursday dinner. The kitchen was great.
12. Cooked all the time –
13. Hotel (marked none)

1. The best is to go to another area – get away from home – very relaxing.
2. Ability to attend a Tribal Council meeting.
3. Being outside & moving is not to be under-rated.
4. Swimming, etc.
5. The weather & change of scenery.
6. The new Meet Greet you could ask questions and feel comfortable about everything – there was a positive feeling in the room.
7. Need to provide info to where each family is located and (in bigger print)
8. Kids Cultural / Heritage experiences.
9. Participated as BD member – (Meet and Greet – also Family activities – attended 1 day)

Comments:

1. This is our culture now – we are The Coquille no matter where we are having vacation (our only vacation).
2. Best Tribal Activity, Great support of family values, great sense of Tribe. Please keep doing it.
3. I enjoyed council meeting till last year when a few took over meeting with their own agenda that should/could have been taken care of at local meeting. Why not encourage members to attend, those who discuss, ask to keep light & short, can always reply in newsletter or other way if more research or time needed. * I hate meetings but always thought this was important.
4. Unfortunately the activities & logistics of the resort do not lend themselves to the extended family togetherness.

10. Are you satisfied with Family Camp being held at Eagle Crest or would you like it to be a more traditional camping environment?
- | | |
|----|--|
| 36 | Eagle Crest |
| 6 | A more traditional Camp Environment (i.e. providing your own RV-Tents & camping equipment) |
| 6 | Other _____ |
-

1. Excellent location (Central), Nice Bldg facilities.
2. Own property.
3. Very happy with E.C. – Or other similar Resort
4. We love Eagle Crest but would enjoy traditional camp too.
5. It's comfortable for the older elders & you can count on sunshine.
6. I would be happy anywhere we have family camp.
7. Happy with either.
8. Circle a meadow w/tents, tee pees, RV or - to hi-lite drumming & dancing & activities in center.
9. So many people / have no ideas.
10. It's too hard to camp out.
11. Mixture of both to accommodate elders & people with babies.
12. A more traditional would keep some Elders from going. Eagle Crest – everyone can enjoy.
13. (marked Eagle Crest) Excellent – (marked Traditional) NO
14. A more traditional camping environment in our ancestral territory.
15. A mix like the resort outside Elkton would be great. Elders may not have RV or ability to camp.
16. Once again Middle Creek Property!!
17. Another facility similar to Eagle Crest: Sun River or Inn at 7th Mountain

Please list suggestions

Comments:

1. Will attend wherever it's held.
2. My family could not afford all the gear for traditional camping or RV'ing.
3. I think if we can afford to continue with Eagle Crest for the convenience of it. However, it would be cool if we could find something similar to Big K.
4. Other things like camping would = low participation, waning interest.
5. Would not mind every other year on own property...tent camping.
6. Very satisfied but would also be great to have area to camp, tell stories around fire, be closer together, have good environment for elders/children and those who would rather not camp. Also nice to have water/sun/entertainment kids/place to hold meetings and draw members from out of state.
7. I'm game for either Eagle Crest or traditional camp.
8. I keep hearing we're going to move camp. I don't think using The Mill Hotel as a base will work. However, it is not a bad idea to find a way to spend the Tribe's money on Coquille owned businesses.
9. It's a wonderful vacation that a lot of people would never be able to take.
10. I love the luxury! The opportunities for free time are great & family friendly.
11. Love Eagle Crest, always look forward to it.
12. Many of us would never be able to afford and to enjoy a place that nice – Please continue.

12. How important of a Tribal event is Family Camp to you and your family? **5 being very important and 1 not being that important**

36 5 2 4 (1/2) 1 3 1 2 _____ 1

Comments:

1. This is our only vacation.
2. Love it.
3. This is the main event I attend on a yearly basis.
4. We schedule our annual family vacation around E.C.
5. As long as the tribe can afford it.
6. This provides the only opportunity for our family to gather from many state (great distances) and other in states. I find that a rare chance to see family and other tribal members.
7. We don't get any family vacation (can't afford it) and never get to see the extended family so we really look forward to family camp.
8. It's a great place to see and spend time with family.
9. We really look forward to this event every summer!

13. Suggestions for the Health Center Staff in organizing this event (agenda change, meals provided, activities, assisting others).

1. You do such a wonderful job – it truly has gotten better every year!
2. Very well organized.
3. Thank you staff for the great experience. I appreciate all your long hours and dedication to this event.
4. More Drumming & Dancing!
5. Bring back Tribal council meeting.
6. 1 evening walk?
7. All good!
8. Could we have an evening (early) Poker Walk or maybe add some new items to existing walk.
9. The staff does a wonderful job! Thank you for all your effort.
10. Be sure about early arrivals.
11. They do a great job & are greatly appreciated.
12. They already do an excellent job!
13. No suggestions. Staff did excellent job!
14. you all did a wonderful job! Well thought out & planned. The events showed extensive planning. Keep it up! 😊
15. Do a good job.
16. It all seemed to work well for us.
17. Everything was Fabulous!!
18. Staff does a great job. Everyone should appreciate all your hard work.
19. How about a breakfast instead of a dinner. Everything was great! I know funds (\$) are going to be in short supply.
20. Don't plan anything till at least 9:30 am.
21. Enjoyed the story talking.
22. Thanks for all of your hard work!
23. "We" recognize the amount of work that goes into planning & implanting & appreciate them!
24. Bravo to the staff they do so much Thank you.

25. 1) No BBQ Wed. Have registration from 4 - ? pm and have snack bags & water for families checking in. Gives more time for grocery shopping & getting settled. 2) Consolidate water games & BBQ (catered).
26. Thank you for EVERYTHING you do!
27. Please tell them they did a marvelous job considering the size of the task and dealing with all the details.

14. Suggestions/Comments for future Family Camps:

1. Please have family camp at Eagle Crest.
2. I can't come up with much right now but I personally thought there was plenty to do and quite well organized for such a large group. Keep up the good work we had a ball.
3. You give too much credit to the Nay Sayers who are much smaller in #, and not enough to the large # of positive. My talk with people shows that positive far out weights the negative. & remember it is instead of per capita.
4. Would love to have more time at Eagle Crest!
5. Would not mind as a tribal member helping plan/staff an event and have less non-tribal staff working 4 us @ family camp. Would save us money & give a better sense of community & family.
6. I would like to have a designated evening to make the hike up the trail where you can see all the mountains at sunset time. There always seems to be something going on and we can't work it in.
7. Try to have dessert social & drumming at same location. (2) Lunch with water games/possibly more families would attend.
8. Just let me go! ☺
9. We like it how it is. Maybe the Culture Committee could put together a SHORT 10 minute video to play at dinner Saturday night. Culture is important but hard to give up free time for.
10. Thank you to everyone who works so hard every year to make this event happen!
11. Would like to see more people go to different meetings and join other when there's an event to go to at Family Camp – was told there were over 400 people at Family Camp but where were they?
12. Would rather see expenses of camp go to another tribe – if facilities were available.
13. None.
14. No comments at this time, Loved it all.
15. Very comfortable with the way it all works. Thank you for all your hard work!
16. Very happy with everything!
17. As always the staff was great & my family enjoyed ourselves very much! Thanks for all you wonderful people do!!
18. Do it every year. Tribal member need a vacation. Thank you.
19. HC staff does a great job – hard to improve on perfection.
20. More adult activities – rafting etc.
21. Health Center staff did an outstand job despite the many issues & inconveniences caused by the Eagle Crest staff & facilities.
22. Tribal members doing the “Bar-b-Q”.
23. I would love a voucher to ride a family peddle bike. This would promote exercise and family bonding.
24. While I love attending family camp sometimes it seems we are all spread out and can't find each other. Pocket Park is a nice gathering place ☺
25. 3) Tribal Council Meet & Greet should just be an evening poker walk (No Admin or CEDCO). 4) Other than that, HC does a fabulous job & should get \$1 more per hour while working it!! ☺
26. Sorry I wasn't much of a “joiner” this year but I had a lovely time with my extended family.
