Décor could be outside lights, wreaths, yard ornaments, etc.

Members of the KRA Board drove through the community on Friday, December 15th and noted all homes with holiday décor displayed. Those homes were entered into the drawing for a \$25 gift card.

Three winners were randomly drawn and each winner was given a \$25 gift card.

Marijuana is Illegal on Tribal Lands

Possession or use of marijuana for any purpose is prohibited within the Tribe's reservation lands, facilities, and housing as a matter of federal law.

Even though the State of Oregon allows the legal possession and consumption of marijuana, Oregon's law does not change federal drug laws, and those are the laws that

apply to CIHA housing. Marijuana remains classified as a Schedule I drug under the federal Controlled Substances Act and thus subject to federal prosecution. Because Tribal reservation lands are federal trust lands and are subject to some federal jurisdiction, the possession or use of marijuana is unlawful. If CIHA were to allow marijuana possession

or use in its properties, CIHA's federal funding could be jeopardized.

If you possess or use ANY federally controlled substance, including marijuana, in CIHA housing, you will be subject to eviction.

If you have any questions regarding this policy, contact Dale at 541-888-6501.

Two Shows ... 6:00 p.m. and 8:00 p.m.

Randy Linder and his band Creedence Revelation are second to none when it comes to performing renditions of Creedence Clearwater Revival's beloved hits in their tribute concerts. Randy's authenticity shines through with the voice, guitar

style, physical resemblance, and even the rocking blues harp present in some of the early CCR hits. This is a concert you will not want to miss. Tickets on sale now at Kó-Kwel Gifts, 541-756-8800, ext. 9.

Instead of comparing our lot with that of those who are more fortunate than we are, we should compare it with the lot of the great majority of our fellow men. It then appears that we are among the privileged.
