Install an energy-efficient ductless heat pump in 2021-22

**Coquille Indian Housing Authority
Tribal Ductless Heat Pump Incentive Program**

This is a limited-time opportunity for members of the Coquille Indian Tribe and Confederated Tribes of Coos, Lower Umpqua, and Siuslaw Indians, who reside in Coos County and are low to moderate income homeowners, to install a high efficiency ductless heat pump at a discounted rate. Ductless heating systems use 25-50% less energy than traditional heating systems, lower your utility bills, *provide both heating and cooling*, and are simple to install and operate.

To qualify for the discount of \$450-\$900 **plus a \$1,500 Tribal Incentive**, join a free online workshop and learn more about ductless heat pumps, as well as **additional incentives and rebates available through Energy Trust and your electric utility**.

- Upcoming workshop dates:**
- **Wednesday, Oct 27, 5:30-6:30**
 - **Thursday, Nov 11, 6:00-7:00**
