**REQUEST FOR PROPOSALS
COQUILLE INDIAN HOUSING AUTHORITY
SELF-MONITORING SERVICES**

June 28, 2017

The Coquille Indian Housing Authority (CIHA) is seeking proposals from qualified firms to conduct an annual assessment of the Authority's compliance with the requirements of the Native American Housing Assistance and Self-Determination Act of 1996 (NAHASDA) for the fiscal year ending September 30, 2017 and monthly monitoring of its financial management and internal control functions for compliance with applicable accounting standards for the fiscal year beginning October 1, 2017, with an option to extend performance for up to two subsequent fiscal years.

GENERAL INFORMATION

CIHA is the tribally-designated housing entity (TDHE) for the Coquille Indian Tribe. The mission of the Authority is to provide decent, safe, and sanitary affordable housing opportunities to qualified Native Americans and Alaska Natives within the Tribe's five-county service area in compliance with NAHASDA and its implementing rules and regulations. It is governed by a Board of Commissioners appointed by the Tribal Council.

Primary sources of income include grant monies received through the Indian Housing Block Grant (IHBG) program administered by the U.S. Department of Housing and Urban Development (HUD) Office of Native American Programs (ONAP), administrative fees and rents earned through management of approximately 50 rental housing units, 14 homebuyer housing units, and 26 private residential leases, contributions from the Coquille Indian Tribe, and commercial leases. The Authority also operates a tenant-based rental assistance program offering 60 units of assistance. Total annual grants and other revenues for the fiscal year ended September 30, 2016 were approximately \$1.5 million.

Monthly monitoring services are for a one-year period

beginning October 1, 2017 with an option to extend performance for up to two subsequent fiscal years.

The annual self-monitoring assessment shall be conducted onsite utilizing current HUD ONAP guidelines and checklists and shall include thorough compliance testing with all applicable policies of the Authority, as well as the applicable federal regulations, particularly all material areas of 2 CFR 200 and 24 CFR 1000. TRIBAL AND INDIAN PREFERENCE

Projects developed and operated with assistance under NAHASDA are subject to Section 7(b) of the Indian Self-determination and Education Assistance Act (25 U.S.C. 450e(b)). Section 7(b) provides that to the greatest extent feasible, preference shall be given to Indian organizations and Indian-owned economic enterprises in the award of all contracts and subcontracts. However, NAHASDA and its applicable regulations also provide that “Notwithstanding any other provision of law, with respect to any grant (or portion of a grant) made on behalf of an Indian tribe under [NAHASDA] that is intended to benefit 1 Indian tribe, the tribal employment and contract preference laws (including regulations and tribal ordinances) adopted by the Indian tribe that receives the benefit shall apply with respect to the administration of the grant (or portion of the grant).” (25 U.S.C. 4111(k)). In its Procurement Policy, the Coquille Indian Housing Authority has adopted Tribal preference requirements consistent with Coquille Indian Tribal Code, 160.200(6)(c). Tribal preference requirements must be applied first, and only if there is no Tribal contractor who meets those requirements would the Indian preference requirements apply. Preference must be provided in accordance with the methods set forth in NAHASDA and consistent with 2 CFR Part 200.318-26. Where Tribal and Indian preference is determined not to be feasible, CIHA shall document the procurement file with the basis for its findings. Tribal and Indian preference applies not only on Coquille Tribal Lands or elsewhere within CIHA’s jurisdiction, but also to contracts with firms that operate outside these areas. Tribal and Indian preference in the solicitation, evaluation, and award process shall be as described above.

Respondents seeking to qualify for preference in contracting or subcontracting shall submit an Indian Enterprise Qualification Statement (attached) and proof of at least 51% Indian ownership with their proposals. Proof of Indian ownership shall include but not be limited to:

- (1) Certification by a federally recognized tribe or other evidence that the respondent is an Indian. The Authority shall accept the certification of a tribe that an individual is a member.
- (2) Evidence such as stock ownership, structure, management, control, financing, and salary or profit sharing arrangements of the enterprise.

CIHA reserves 15% of available rating points for Tribal and Indian preference. Award will be made to a Tribal member-owned economic enterprise or organization over an Indian-owned entity if the points are otherwise the same. Respondents using a request for proposals to solicit subcontractors shall likewise reserve 15% of the available rating points for Tribal and Indian preference in subcontracting and state the criteria to be used in evaluating subcontractor proposals, with award to go to the Tribal member-owned entity over the Indian-owned entity if the points are otherwise the same.

All respondents must submit with their proposals a statement describing how they will provide Tribal and Indian preference in subcontracting, training, and employment, including the number or percentage of Tribal members and Indians to be employed and trained. Any proposal that fails to include the required statement shall be rejected as nonresponsive. The Authority may require that comparable statements be provided by subcontractors to the successful respondent, and may require the respondent to reject any bid or proposal by a subcontractor that fails to include the statement.

Respondents and prospective subcontractors shall submit a certification (supported by credible evidence) to the Authority in any instance where the respondent or subcontractor believes it is infeasible to provide Tribal and Indian preference in subcontracting. The acceptance or rejection by the Authority of the certification shall be final. Rejection shall disqualify the proposal from further consideration.

The Authority does not maintain lists of Tribal member-owned or Indian-owned economic enterprises and organizations to assist contractors in meeting their responsibility to provide preference in connection with the administration of contracts and subcontracts.

No additional local preference requirements apply to this solicitation.

FREQUENTLY ASKED QUESTIONS

Question 1. Can we get a copy of last year's self-monitoring report?

Response: The Authority's last three self-monitoring reports are contained in the FY 2014, 2015, and 2016 Annual Performance Reports available online at www.coquilleiha.org.

Question 2. When was your last HUD monitoring and can we get a copy of the final report?

Response: The Authority's last HUD monitoring was conducted in FY 2013. No concerns or findings were identified. Copy available upon request.

Question 3. What was your prior self-monitoring assessment fee?

Response: The Authority feels the fee for self-monitoring services should be based upon the proposing firm's assessment of the Scope of Services and its ability to provide a quality review of our entity. While cost is a consideration, it is not the most important for the Authority in choosing a self-monitoring contractor.

Question 4. Is there a specific reason you are requesting proposals for self-monitoring services?

Response: The Authority is required to obtain competitive proposals for self-monitoring services periodically. Your proposal may be for one to three years of service, with the Authority having the option of renewal each year or to proceed with a request for proposals each year.

Question 5. Should the cost of travel, meals, and lodging be included in the proposal?

Response: Yes. The proposal should include all costs of travel, meals, and lodging and any other incidental expenses of the assessment. Travel expenses may not exceed federal rates.

In the event of any such assignment by either party, that party's assignee shall have all the rights, powers, privileges, remedies, and obligations of the assigning party set forth in this Contract.

order, writ, injunction, or decree of any court, tribunal, governmental body, authority, agency, or instrumentality, nor do or will such execution, delivery, or performance violate, conflict with, or result in (or with notice or lapse of time or both result in) a breach of or a default under any term or provision of any agreement, oral or written, to which such party is a party or is bound.

4. DEFAULT.

- 5.3 After any Event of Default by Contractor, Contractor shall reimburse CIHA for all reasonable costs and expenses (including attorneys' fees) of enforcement of CIHA's rights and remedies under this Section.

5.4 Termination for Convenience. Notwithstanding any other provision of this Contract, CIHA may terminate this Contract in whole or in part when it determines that continuing the Contract is no longer in the best interest of CIHA. Such termination will be effected by the delivery of written notice to the Contractor of a Notice of Termination and the effective date of the termination. If CIHA terminates for convenience under this clause, CIHA shall pay to Contractor all reasonable and proper payment for services provided up to the date of the termination. Contractor shall submit an invoice to CIHA in writing with appropriate documentation.

Tribal and Indian Preference Requirements

- 1. General.** Projects developed and operated with assistance under NAHASDA are subject to Section 7(b) of the Indian Self-determination and Education Assistance Act (25 U. S. C. 450e(b)). Section 7(b) provides that to the greatest extent feasible, preference shall be given to Indian organizations and Indian-owned economic enterprises in the award of all contracts and subcontracts. However, NAHASDA and its applicable regulations also provide that “Notwithstanding any other provision of law, with respect to any grant (or portion of a grant) made on behalf of an Indian tribe under [NAHASDA] that is intended to benefit 1 Indian tribe, the tribal employment and contract preference laws (including regulations and tribal ordinances) adopted by the Indian tribe that receives the benefit shall apply with respect to the administration of the grant (or portion of a grant).” (25 U.S.C. 4111(k)). The Coquille Indian Tribe has adopted Tribal contract preference requirements in its Fiscal Management Ordinance, Coquille Tribal Code, §160.200(6)(c). Thus, the Tribal preference requirements must be applied first, and only if there is no Tribal contractor who meets those requirements would the Indian preference requirements apply. Preference must be provided in accordance with the methods set forth in NAHASDA and consistent with 2 C.F.R. Part 200. Where Tribal and Indian preference is determined not to be feasible, CIHA shall document the procurement file with the basis for its findings. Tribal and Indian preference applies not only on Coquille Tribal Lands or elsewhere within CIHA’s jurisdiction, but also to contracts with firms that operate outside these areas. Tribal and Indian preference in the solicitation, evaluation, and award process shall be as described above.
- 2. Eligibility.** Eligibility for Tribal preference shall be established in accordance with Coquille Tribal Code Section 160.200(6)(c). Eligibility for Indian preference shall be established in accordance with procedures consistent with NAHASDA. If CIHA or its prime contractor determines an applicant ineligible for Tribal or for Indian preference, CIHA or the prime contractor shall notify the applicant in writing before contract award, or filling the position, or providing the desired training.
- 3. Contract Clauses and Solicitation Notices.**

 - a. Solicitations shall include the following information:

 - i. A statement of the applicability of Tribal and Indian preference to the solicitation and a time before the due date for offers by which offerors must submit evidence of eligibility for Tribal or Indian preference;
 - ii. Any applicable locally imposed preference requirements properly enacted by the tribal governing body and adopted by CIHA (or advise offeror to contact the tribal governing body to determine any applicable preference requirements);
 - iii. Information as to whether CIHA maintains lists of Tribal- or Indian-owned economic enterprises and Tribal or Indian organizations by trade specialty which are available to contractors and subcontractors for use in meeting Tribal and Indian preference responsibilities;

Statement Regarding Indian Preference

Attachment 1

Page 2 of 3

- iv. A requirement that offerors provide a statement describing how they will provide Tribal and Indian preference in subcontracting, training and employment, including the number or percentage of Tribal members and Indians to be employed and trained;
 - v. CIHA's description of the information to be submitted on Tribal and Indian preference;
 - vi. The factors that CIHA will use in judging the adequacy of the Tribal or Indian preference information submitted;
 - vii. A statement that failure to submit the required Tribal and Indian preference statements on subcontracting, training, and employment shall be grounds for rejection of the offer;
 - viii. A requirement that each contractor and subcontractor submit a certification and supporting evidence to CIHA whenever it is not feasible to provide Tribal or Indian preference in subcontracting;
 - ix. For requests for proposals that are not restricted to Tribal member-owned or Indian-owned economic enterprises or organizations, the percentage or number of points set aside for Tribal or Indian preference and the method for allocating these points;
 - x. For requests for proposals that are not restricted to Tribal member-owned or Indian-owned economic enterprises or organizations, a requirement that contractors using a request for proposals to solicit subcontractors reserve 15% of the available rating points for Tribal and for Indian preference in subcontracting and the criteria to be used in evaluating subcontractor proposals, with the award to go to the Tribal member-owned economic enterprise or organization over the Indian-owned entity if the points are otherwise the same; and,
 - xi. A requirement that offerors submit a list of core crew employees with their offers and that contractors and subcontractors are required to provide preference to the greatest extent feasible by hiring qualified Tribal members and other Indians in all positions other than core crew positions.
- b. Solicitations, contracts, and subcontracts shall include the following:
- i. A reference to the applicability of Tribal preference requirements consistent with this policy and Coquille Tribal Code §160.200(6)(c);
 - ii. The clause implementing Section 7(b) of the Indian Self-Determination and Education Assistance Act in connection with the development or operation of CIHA projects in accordance with 24 C.F.R. § 1000.52 as this provision currently exists or is subsequently amended;

- iii. The grounds for termination of a contract or the imposition of penalties for improper subcontracting or false certification as to subcontracting with Tribal member-owned or Indian-owned economic enterprises or organizations; and,
 - iv. Any additional information required because of the nature of the project.
- c. If all required clauses and provisions are not included on form documents (e.g. HUD-5369 and HUD-5370), then CIHA shall attach any additional clauses or provisions to the forms used in solicitations and contract documents.
- 4. Monitoring and Remedies.** CIHA shall monitor the implementation of Tribal and Indian preference in its contracts, subcontracts, training, and employment, and take appropriate remedial action (including cancellation of contracts and assessments of penalties) to ensure compliance.
