

The Coquille Indian Tribe

The Coquille Indian Tribe (CIT) is preparing a Comprehensive Plan for its Empire (North & South parcels) property. The Tribe is reaching out to all Tribal Members, Tribal Spouses and Kilkich residents individually for your input. The Plan will guide Tribal Council decisions and actions related to land use, natural and cultural resources, open space and recreation, economic development, public services, transportation, housing and community facilities. This questionnaire will help the Tribal Council understand the community's vision for CIT Empire property and all responses will be kept confidential. The questionnaire takes approximately 10 minutes to complete.

Please complete the questionnaire by Monday, June 12th.
