A fun and informative Newsletter for the Residents of the Kilkich Community

Kilkich Community Garden

Have you stopped by the Kilkich Community Garden lately? The abundant fruit and vegetable plants are thriving thanks to dedicated efforts by the gardeners who have spent many hours planting and cultivating their crops.

The garden hosts a variety of

crops this year including artichokes, blueberries, cabbage, carrots, chives, garlic, lettuce, onions, peas, potatoes, radishes, strawberries, and squash.

The garden is absolutely beautiful! Stop by and take a look when you have time. GREAT job to all involved!

The sale will begin each day at 9:00 a.m. rain or shine.

Expect early bargain hunters.

Kilkich Annual Community-Wide Garage Sale August 24th and August 25th

The Kilkich Annual Community-Wide Garage Sale will be held Friday, August 24th and Saturday, August 25th. All Kilkich residents are welcome to host their own yard sale throughout the weekend. KRA will advertise in the local newspapers and on the local radio stations; a large banner will be displayed at the bottom of Miluk Drive. The garage sale is a great opportunity to clean out your garage and attic and make a little extra money. Please take extra precautions with your children and pets as there may be unfamiliar traffic visiting the neighborhood throughout the weekend.

The Charleston Sanitary District will be implementing a \$3.00 per month rate increase effective September 1, 2012. CSD will increase from the current rate of \$40.00 per month to the new rate of \$43.00 per month. The new rate will appear on your CIHA September 2012 billing statement.

If you have any questions or concerns, please contact the Charleston Sanitary District office at 541-888-3911.

Communicate and interact with the neighbors of your community on Facebook. You may share relevant photos, announce graduations, births or weddings etc. You can let people know if you have something for sale or have a service to provide, for example, babysitting services or yard work. Or maybe you're looking for a walking partner. It's also a great place to keep up on community and tribal events.

Library Receives Institute of Museum and Library Services (IMLS) Funding for Basic Library Services

The library recently received notification from the IMLS (Institute of Museum and Library Services) that it will receive funding awards from their Basic Library Services program for the next three years. The awards total \$18,000 and will be dispersed annually in the amount of \$6,000.

The Tribe has applied for and received IMLS funding awards for nearly twenty years. The funding has been used by the library to purchase new and/or updated equipment and materials for use by the library and its patrons.

IMLS funds have been used to purchase multiple copies of books focused on the Coquille and other Oregon tribes, including the 2nd edition of First Oregonians, The People are Dancing Again, a history of

the Confederated Tribes of Siletz Indians, Living in the Great Circle: The Grande Ronde Indian Reservation 1855-1905, and Seeking Recognition: The Termination and Restoration of the Coos, Lower Umpqua, and Siuslaw Indians, 1855-1984.

Other books purchased with IMLS funds directly connected to the Coquille and southwest Oregon history includes the biographies: She's Tricky Like Coyote: Annie Miner Peterson, an Oregon Coast Indian Woman and Coquille Thompson Athabaskan Witness: A Cultural Biography. Thesis works (I've read them and they are interesting and informative) include: The Coos and the Coquille by Mark Tveskov; Coquille/Ko-kwel: A Southern Oregon Coast Indian Tribe by Jason Younker; and Growing up

Indian, an Emic Perspective by George Wasson. Other materials include South Slough Adventures: Life on a Southern Oregon Estuary; People of the Coquille Estuary by Roberta Hall; and the three published volumes of the Changing Landscapes series, each containing numerous essays discussing tradition and history of the Coquille Indian Tribe and related subjects.
