KILKICH COMMUNITY GARDEN BEDS AVAILABLE

Are you interested in planting a vegetable garden this year? If so, contact the CIHA office to sign up for a raised garden bed. The beds will be assigned on a first-come, first-served basis.

BEDS - The Kilkich community garden beds are free to use. Gardeners are responsible for planting, weeding, and harvesting their beds as needed. The bed will be filled with soil; gardeners may amend the soil as needed. Maintaining a garden bed will require a weekly commitment of time and energy.

WATER - The garden is on an automatic, timed, watering system, so you will not need to water your garden bed.

CROPS - Cool weather crops generally perform well in our coastal climate. Past success has been seen with artichokes, beets, broccoli, cabbage, carrots, chives, kale, kohlrabi, leeks, lettuces, onions, peas, potatoes, spinach, squash, and turnips, just to name a few.

The garden is secured by a locked gate and has a perimeter fence to deter deer; slugs are usually your most obnoxious and destructive pests. **Pets are not allowed in the garden area at any time.**

If you have any questions or would like to sign up for a garden bed, call the CIHA office at 541-888-6501.

HAPPY GARDENING!

TRIBAL ORDINANCE REGARDING DOGS RUNNING FREE AND PROPER WASTE HANDLING

The CIHA office and the Tribal Police department continue to get resident complaints regarding dogs running free and pet owners not picking up their animal's waste.

Please be considerate of your neighbor and the Kilkich community as a whole. **You are responsible for your pet AT ALL TIMES.**

ALL dogs MUST BE LEASHED when outside of their yard - ALWAYS.

ALL animal waste deposited by an animal on public property or on the property of another MUST be picked up immediately.

The Coquille Indian Tribe has a **Civil Violations Ordinance** that specifically addresses the two complaints listed in this article.

Chapter 650 - Ordinance 650.660 Improper Management of an Animal

A person commits the violation of improper management of an animal [if] the person is the owner or keeper of an animal and:

1. fails to promptly remove in a sanitary manner any waste deposited by the animal on public property or on the property of another; or
2. allows animal excrement to accrue on the person's property to such a degree that a person of normal sensibilities would be bothered; or
3. fails to prevent such animal from running at large on public

property or on the property of others. When off the property of the owner or keeper, dogs must be restrained by a dependable leash and controlled by a responsible person.

4. a sightless person who has charge or control of a guide dog, or a police dog in the performance of law enforcement duties, shall be exempt from the provisions of this section.

Law enforcement is authorized to issue a citation for individuals who violate this ordinance.

The rules are clear and apply to everyone ... please be responsible and manage your animal.

FOUR TAX SCAMS TO BE AWARE OF THIS SEASON ... EXCERPTED FROM TAXACT.BLOG

Scammers never take a vacation and tax season is no exception. **Tax experts recommend filing taxes early, use caution when filing online, and create strong passwords for all online accounts.**

1. **Tax Identity Theft** - Criminals steal personal taxpayer information and file a fake tax return to gain access to a tax refund.
2. **IRS Phone Scams** - Criminals alter caller ID names so they appear on a phone display as the IRS. They use fear tactics to convince a taxpayer to pay a fake tax bill.

The IRS will never call and threaten a person. Contact the IRS at 1-800-366-4484 to report suspicious, threatening phone calls.

3. **Email phishing scams** - Criminals attempt to lure a person to disclose personal information by sending an official looking email. *NEVER click on links or disclose personal information without verifying the source of the email. Report email phishing scams to www.antiphishing.org.*
4. **Online Tax Filing Impersonations** - Similar to impersonating the

IRS, criminals pretend to be representatives of popular online tax filing companies. Scammers stage fake websites using the real tax company's likeness to trick customers into paying them money.

Protect yourself from becoming a victim of any online scam. Be vigilant, do your research, and make sure the numbers you are calling and the websites you are using are legitimate.

WINTERIZE YOUR FAUCETS AND HOSES

Water damage from frozen pipes can be very expensive! Properly winterize faucets to minimize the potential for a burst pipe.

1. Disconnect and drain all garden hoses.
2. Store hoses inside a garage, in an outside shed, or curled up under an eave for protection.
3. Insulate the faucet to help protect it from freezing.

This is also a great time to gather, clean, and store all watering equipment and garden tools.

CIHA'S COMMON SCHEME RESTRICTION POLICY REGARDING PARKING

"All parking, other than in the driveway or garage, must be on the side of the street where the streetlights are and must NOT exceed 24 hours." Also, "No tent structure, camper, recreational vehicle, motorcycle, trail bike, snowmobile, boat, trailer, motor coach, or mobile home, or any structure of any kind shall be parked, placed, erected, or used upon the property."

Please adhere to the above guidelines. [Parking violation notices will be sent out in March.](#)

IF YOU ARE ISSUED A PARKING VIOLATION NOTICE, IT WILL COUNT AGAINST YOUR HOLIDAY CREDIT.

If you would like a copy of the policy or have questions, contact Dale at the CIHA office at 541-888-6501.
