## Dog Parks and More ... Contributed by Kilkich Resident Jan Doyle

With the spring weather, more people seem to be out with their dogs.

Many of you may not know that poop bags are available here on the Kilkich Reservation.

Bags can be found near the Y turn into the Plank House parking lot and on the restroom wall behind the bus stop in the neighborhood park parking lot.

**Please be a responsible pet owner, access the bags and clean up after your dog.**

If you want your dog to safely run off-leash, both Coos Bay and North Bend have off-leash dog parks. The Coos Bay off-leash dog park is located at 2001 N Bayshore Drive.

Information about Gracie Land Dog Park, sponsored by Coos Bay Toyota, is available on-line.

The North Bend off-leash dog park is at 1501 Oak Street. Information and photos of the Oak Street Park dog park are also available on-line.

## Drone to Assist CIHA Maintenance

CIHA has a new drone to assist in assessing roof and gutter damage on CIHA units. This will be especially helpful after windstorms as the drone will be able to detect missing shingles with a simple fly-by instead of a person actually having to climb up on the roof. CIHA will notify you before we inspect your roof using the drone. If you have any questions, please contact CIHA.
