PLAYGROUND

TEMPORARY CLOSURE

The Kilkich playground is temporarily closed due to upgrades to the swing set, existing merry-go-round, and the playing surface.

The new swing set has an ADA compliant transfer swing on it. The existing merry-go-round will be re-powder coated to prolong its life, and the previous rubber bark will be replaced by a 2' x 2' green rubber tile making the playground more accessible to all people. The estimated completion date for the Kilkich playground is late May 2023. This date is an estimate as weather will determine the construction start and end date.

If you have any questions, please contact CIHA.
