KILKICH TRANSPORTATION SAFETY PROJECT

ALERT 08.15.23 – Traffic Impacts

DETOUR UPDATE

Brock concrete will be pouring curbs and gutters on Miluk Drive in the area highlighted in purple, on Wednesday, August 16th beginning at 8 am. Flaggers will be on the roadway to aid traffic around the concrete truck. They do not anticipate longer than a few minute delay.

Knife River is also planning on paving the driveway approach at the duplex entrance. They anticipate being able to complete this work from the parking lot side and not have to be in the roadway. If they cannot complete the work from the lot, they will have the flaggers available, if needed.
