KILKICH TRANSPORTATION SAFETY PROJECT Weekly Update • October 20, 2023

CONSTRUCTION ACTIVITIES

The last two weeks saw a lot of finished work! New utility boxes and lines are in for future needs near the Kilkich Administration Building. The sidewalk, curbs, and gutters down Miluk Drive are completed. The grading and new sidewalks in front of the Kilkich Administration Building were finished and the parking lot near the cranberry bogs is currently being widened with a new storm drainage system.

WHAT TO EXPECT NEXT WEEK

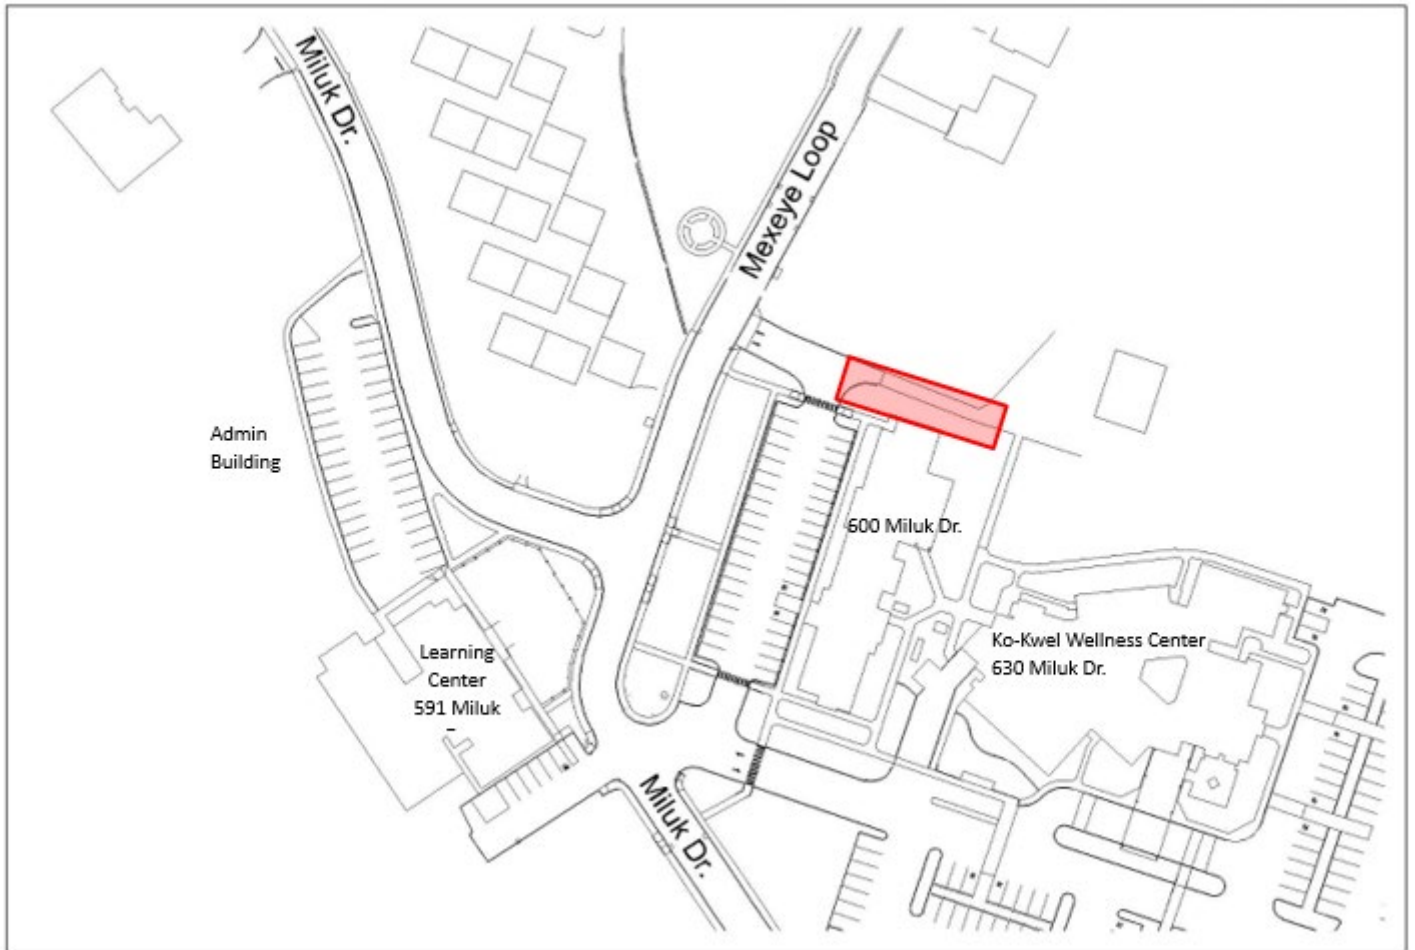

The road widening near the Kilkich Administration building will be completed. Hydroseeding of the area in front of the administration building will be completed. The fence footing concrete will be poured, and topsoil work will continue next week. Road and intersection striping will be completed, weather permitting.

ENVIRONMENTAL PROTECTION EFFORTS

The environmental controls are being monitored throughout each day by the contractor, PMO and NRO staff. The roadways are swept and cleaned each Friday before the weekend.

ROAD CLOSURES & DETOURS

The dirt road near the Kilkich Administration will continue to be closed next week while the road widening finishes up.
