Be Prepared for Winter Weather, Power Outages, and the Unexpected

Remember to:

1. Disconnect and drain garden hoses.
2. Let inside faucets drip if outside temperatures drop below 25°.
3. Have emergency preparedness supplies on hand in the event that power goes out for a few hours/days - food, water, pet food, medications; whatever you need to get by until the power is restored.

Refer to the websites listed below for ideas and instructions on emergency preparedness.
