Subject: You're Invited to the Upcoming Southern Oregon Coast Housing Summit!

Southern Oregon C HOUSING SUMMIT

You're
TO BE D

We're bringing together leaders, innovators, and changemakers to explore collaborative strategies, share success stories, and shape the future of housing along the South Coast.

Ap

10TH

Whether you're a developer, city planner, elected official, healthcare provider, housing advocate, or simply someone passionate about making a difference, this summit offers an unparalleled opportunity to connect, learn, and collaborate. Together, we can build a housing continuum that reflects the resilience and heart of the Southern Oregon Coast.

Building a Thriving Housing Continuum

Across the Southern Oregon Coast, **communities are coming together** to tackle one of the region's most pressing challenges: housing. Safe, stable housing doesn't just provide shelter—it fuels economic vitality, supports mental and physical well-being, and strengthens the social fabric of the region.

Over two dynamic days, the summit will highlight innovative approaches that are already making a difference. **Oregon Housing and Community Services (OHCS)** and **US Department of Housing and Urban Development (HUD)** will provide critical insights into state and federal investments, while regional organizations will showcase how partnerships are turning vision into reality. From workforce housing to supportive housing, you'll hear how communities are breaking down silos and building bridges to create a more resilient housing ecosystem.

Attendees will also explore **alternative housing models**—like **shared housing** and **community land trusts** that are expanding affordable housing options across the region. Stories from **Yamhill County**, who've reached **Functional Zero** homelessness, will inspire new approaches for the South Coast. And, for the first time, the summit will host a dedicated session on the **healthcare & housing intersection** to improve community well-being.

This year's summit will also feature a panel on **Mass Timber Construction** that **will** highlight innovative building techniques that are cost-effective, environmentally friendly, and adaptable to rural communities. And so much more!

But this year's summit isn't just about ideas—it's about action. The **North Bend Family Housing** and **Hope Village** ribbon-cutting ceremonies will offer a firsthand look at what's possible when communities come together to create housing solutions.

Join the SUMMIT!

**Come Explore the South Coast Housing
Continuum With Us April 10th & 11th!**

Full Summit

RESERVE A
ROOM
TODAY

The Mill Casino

For individual reservations, please have guests call (800) 953-4800. To receive the special rate, guests simply need to call The Mill Casino • Hotel Reservation Center before **Wednesday, March 19, 2025**, and inform our Reservation Agents that they are attending the Housing Summit.

Reservations may also be booked online at themillcasino.com. From the website select “Book Today” located in the upper right hand corner, next select “**Group Sign In**” and enter the **code 10376**.

From there simply add your dates and select your room type. After this date, it is mutually agreed that the Hotel will release all unreserved and non-guaranteed rooms for general sale, and requests for reservations will then be accepted on a space and rate available basis only.
