

REQUEST FOR PROPOSALS (RFP)

Tribal History-Shared History Lesson Pilot

COQUILLE INDIAN TRIBE

April 13, 2026

Request for Proposals

Purpose

The Tribe invites school districts within the county of Coos to submit proposals based on the scope of work and conditions contained in this RFP. The purpose of this request for proposals (RFP) is to obtain educators who will pilot Tribal History-Shared History lessons in real time within the classroom setting and provide thorough feedback on the experience.

Essential Functions

In order to meet the purpose statements of this RFP, the following essential elements must be included or addressed in the RFP.

Conduct Tribal History-Shared History lessons in real time within the classroom setting.

1. Each educator will edit and provide feedback on all the lessons in their grade level assigned or content area.
2. Each educator will present and conduct three lessons in their classroom. For grades with multiple educators, lessons should be chosen to eliminate overlap of the same lesson.
3. Each educator will take an informal survey of the students to provide information on what they gained from the lesson.
4. Each educator will provide comprehensive feedback detailing what went well, what needs further attention, provide edits on the lesson, and what the students shared of the experience.

RFP must include in the scope, the following contact points:

1. Commitment to the project completing lessons and providing feedback before June 18, 2026.
