**FREE TAX HELP OPENS AT
PONY VILLAGE MALL
WEEKDAYS AND SATURDAYS.**

Tax season is upon us once again and it can be tough to find assistance without spending money. But, a free tax service is being offered at the Pony Village Mall courtesy of Moneywise Oregon. New additions to the tax code this year include write-offs for tips and overtime and there is another new addition that offers \$1,000 for children born between January 2025 and December 2028.

Moneywise Oregon President and CEO Dan McAvoy said. "There are benefits... for people, especially lower to moderate income, no matter what their income is, even if they think they don't need to file, to at least come and check out and see if they qualify for some of those benefits."

If you're interested in the services offered, you can visit the Pony Village Mall weekdays from 8 a.m. to 2 p.m. They're also open on Saturdays from 8 a.m. to noon.
