August 3, 2026

This Addendum is hereby issued to inform you of the following revisions and or clarifications to the above-referenced RFQ and/or the Contract Documents for the Project, to the extent they have been modified herein. Any conflict or inconsistency between this Addendum and the Solicitation Document or any previous addenda will be resolved in favor of this Addendum. Proposals shall conform to this Addendum. Unless specifically changed by this Addendum, all other requirements, terms and conditions of the Solicitation Document and or Contract Documents, and any previous addenda, remain unchanged and can be modified only in writing by CIT. The following changes are hereby made:

- **Additional Questions Received**

- On the budget portion can you describe your intent with regards to “any associated legal fees”?
 - “Any associated legal fees” refers to attorney or outside counsel costs that the consultant anticipates incurring as part of the project and including in the project budget. If the consultant expects to require legal review, legal support, or other related legal services in connection with the work, those costs should be identified and included in the proposal budget. If no such costs are anticipated, proposers may indicate none.
