

KILKICH AREA PLAN

May/ June 2026 Update

Thank you to everyone who attended a Kilkich Area Plan Listening Session. Your feedback was noted and honored.

The Project team organized and aggregated input from:

- 6 listening sessions,
- 6 committee meetings,
- and 3 events at Restoration.

Altogether, we met over 111 attendees outside of Restoration, and had the opportunity to speak to everyone who attended the info carnival and stopped by our booth, as well as those who joined us for breakfast at Abalone Haws on Sunday morning.

Thank you for sharing your time and your thoughts!

MONTHLY PROGRESS

Our team prepared for the Listening Sessions by working with the project contractors to prepare materials, print physical documents, and book logistics.

The best way to stay in touch for upcoming events is to sign up for Nixel updates by texting BUILD to 888777.

Communications for the roadshow included:

- Articles in the K'wen
- Nixel text messages for each listening session to members who opted-in
- Website updates
- MyTribe Events
- Facebook posts
- Facebook Events
- Word of mouth promotion from family/ friends
- Postcard mailers to each head of household

Our next step is to work with the contractors to find themes from your feedback and reduce the multiple alternatives down to 1-3 alternative plans.
