FALL WEATHER SAFETY

FOR COASTAL OREGON

HEAVY RAIN

Use caution around standing water and never drive through flooded roads.

HIGH WINDS

Bring in or secure outdoor items like patio furniture, toys, garbage cans, decorations, and other loose items.

HIGH SURF

Stay off logs, rocks, jetties, and beaches during high-surf warnings. Waves can be larger and more powerful than they appear.

WET ROADS

Slow down, use your headlights, allow extra stopping distance, and watch for debris such as leaves, branches, and rocks.

POWER OUTAGES

Keep flashlights, batteries, charged power banks, food, water, and needed medications available.

DOWNED TREES & POWER LINES

Stay away from downed trees and power lines. Never approach or drive over a downed power line. Report hazards to the proper authorities.

SAFE HEATING & LIGHTING

Never use grills or generators indoors. Use battery-powered lights and keep flammable items away from heat sources.

PETS

Bring pets inside during severe weather. Have food, water, medications, and leashes ready.

STAY CONNECTED

Keep your phone charged and pay attention to weather alerts, community updates, and local news.

REPORT PROPERTY ISSUES

If you notice leaks, storm damage, fallen limbs, drainage problems, or any maintenance concerns, please contact CIHA so we can address the issue as soon as possible.

STICK TO KNOWN AREAS

Stay in familiar neighborhoods and only visit well-lit homes.

CHECK YOUR TREATS

Have a grown-up check all candy and snacks before eating them.

WATCH FOR CARS

Use crosswalks, look both ways, and stay alert. Drivers, please slow down!
